The Model

The Outcomes

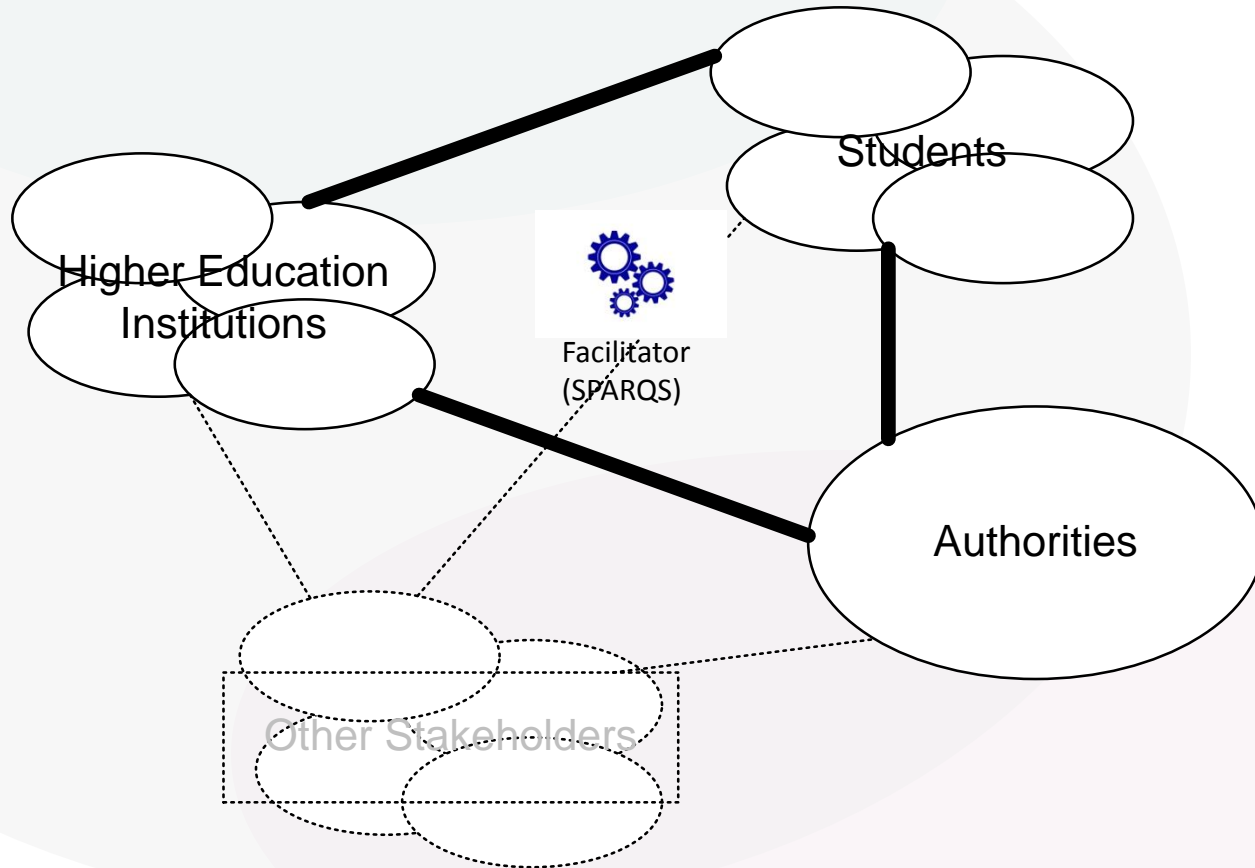

- No doubt students participative roles in governance is a need for enhanced quality in higher education
- Current situation
 - A partner role in extra-curricular activities
 - An actor role in QA issues
 - An actor role in Governance
 - No role at the national level

The Outcomes

- The how is an issue
 - Democratic structure(s)
 - Diversified Higher Education Systems (shared vision)
 - History
- However, democratic structure is necessary
 - Independence
 - Impact
 - ...

The Outcomes

The Outcomes

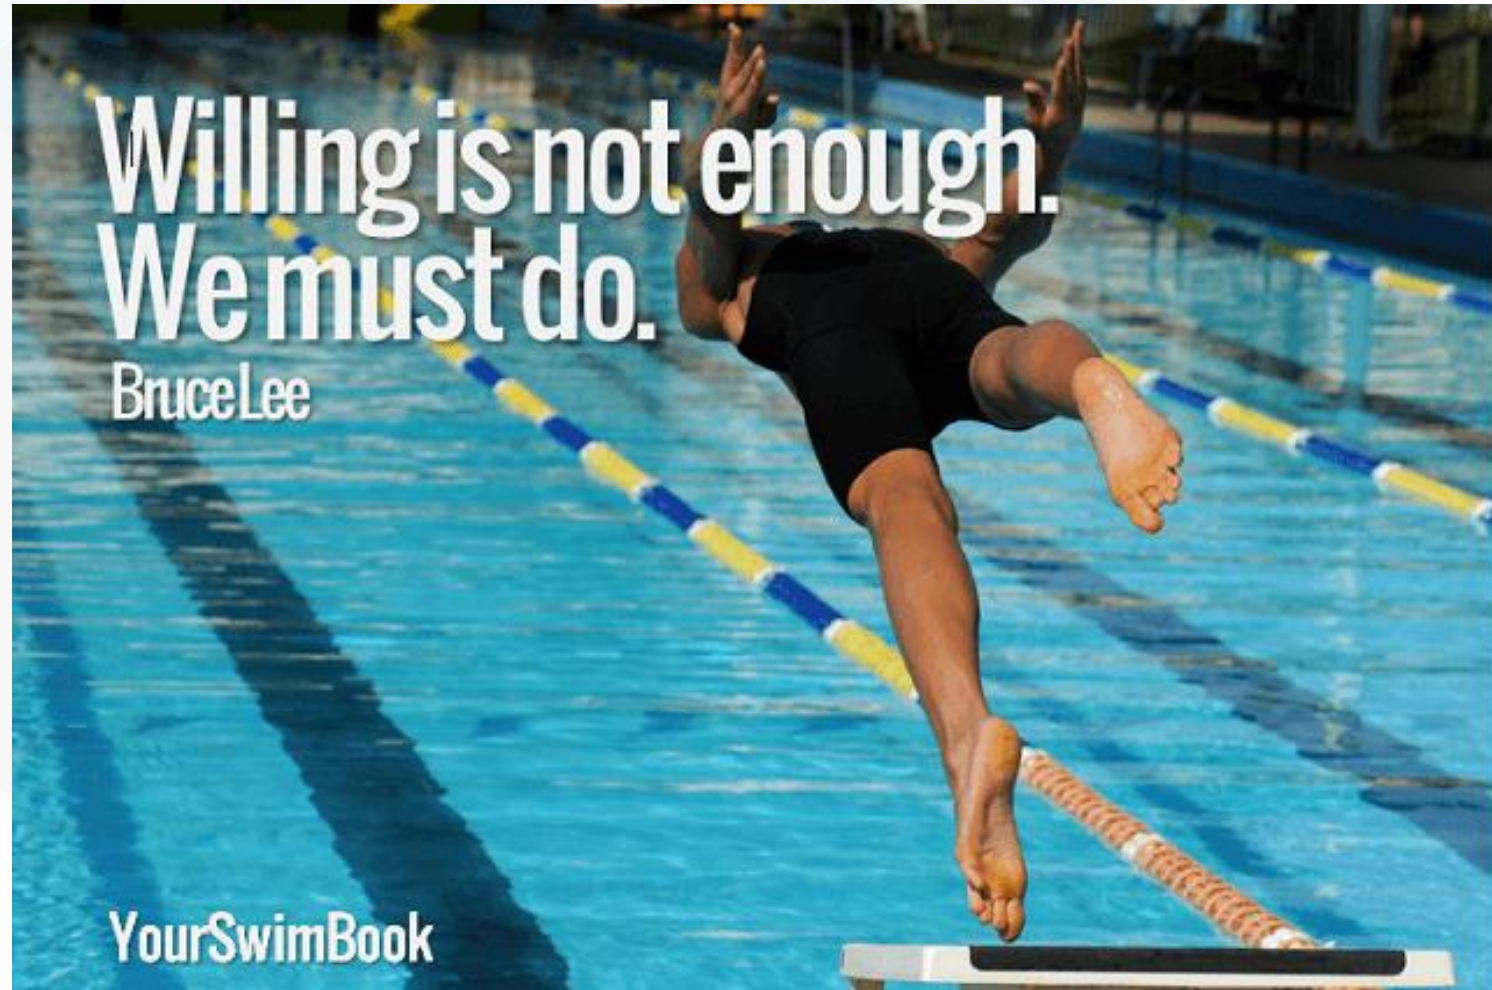

- Facilitator
 - From will to need
 - Capacity building
 - Balanced view

Recommendations

- Foster students participative roles in Higher Education
- Move towards having students partners
- Structure the students actions
 - Guarantee independence (all kind of independence)
 - Maximise the impact
 - Both at the national and institutional levels: General students union vs. Specific students union
- Need for a facilitator
 - Resources?
